(FOR ADDRESS ONLY.)

Douglas, from Port Skillion. Port Skillion is one of the finest open-air bathing-places in the United Kingdom, where even non-swimmers may safely tempt the waves. From the zigzag path above the bathing-basins and the Lighthouse is to be had a fine view of Douglas with its curving foreshore and trim sea-front, the hills behind and the old and new piers running out into the blue water, out of which rises the Tower of Refuge.
